

Welcome to Clay Lacy Orange County. Ramp Entry and Exit Procedures.

We are delighted to provide our guests with direct drive-up access to their aircraft for arrivals and departures. Drive-up access requires all individuals in the vehicle to show photo ID at the airport security gate before driving to your aircraft.

New terminal coming in 2024.

Arriving to John Wayne Airport by Vehicle:

- 1.** Check-in at the **CLA Welcome Center** located at the intersection of Airway and Paularino. You will be greeted by a CLA representative. Please have your tail number information ready. *If you do not encounter a CLA representative when you arrive please call 714.888.8000.*
- 2.** The CLA representative will coordinate an escort through the **John Wayne Airport Security Gate** directly to your aircraft or the Clay Lacy Lobby. You may be asked to wait in one of the pre-ramp staging areas designated by Clay Lacy signage or the team member assisting you.
- 3.** Each individual in your party will be required to show ID to the Airport Security Guard at the JWA Security Gate prior to ramp entry. To reduce waiting times at the gate please have IDs ready when arriving to the facility.
- 4.** Airport regulations require the gate to close completely behind the last vehicle through the gate. You may experience a small wait after entering the AOA to ensure the gate closes behind you.
- 5.** Clay Lacy will valet your vehicle at the aircraft or lobby. If you would like to self-park, please let us know and we will direct you to a parking space once escorted through the gate.

Landing at John Wayne Airport by Aircraft and Departing by Vehicle:

1. Personal vehicle or professional driving service will meet you at your aircraft.
2. CLA personnel will escort you to exit at airport security gate.

Notes:

- Ask us about enclosed parking, professional auto detailing and fueling services while away on your flight. Additional charges apply.
- Professional chauffer services are allowed to drive up to aircraft.
- Ride share and taxi services are not permitted to drive up to aircraft. CLA will provide shuttle to aircraft.
